HELPING PEOPLE

CHANGING LIVES

As we continue to have minimal Home Heating Assistance funding available, it is important to raise local funds to help area families. Although there are no immediate solutions available to resolve this crisis, **you can help by joining us to raise funds to assist your friends and neighbors.** 100% of all funds raised remain in your service area to assist with paying bills, for match to secure State and Federal funds, to provide Energy Education, and to provide referrals for Weatherization.
